

RECREATE SUN-FILLED SCENES WITH

SAVANNAH THE GIRAFFE

a long-limbed loveable friend

If you've ever been tempted to crochet a toy but have been put off by complex instructions, look no further than our adorable giraffe. This pattern only involves the three most basic stitches: chain, slip stitch and double crochet. You don't even need to know how to work decreases as the shaping is created by missing stitches. So what are you waiting for? Hook to it!
