FLUFFY FLORA

Brighten up someone's day with
Liz Ward's colourful lamb

We don't know about ewe, but sheep are one of our favourite animals – for obvious reasons! The fluffy yarn in your Bounce yarn kit lends itself perfectly to our woolly friends and in this project, Flora will help you show it off to its fullest. She is made up of several pieces that are worked in the round, and has colourful stripy legs which contrast beautifully with her snow white coat. Start her tonight and you'll have a baar-rilant time whipping her up!

Samantha Lewis, Editorial Assistant

"You will have to delve into your stash for a 6mm hook when working with the fluffy yarn, but this will make it less fiddly for you!"

A NOSE FOR IT

To give Flora a nose and mouth, use spare black yarn or doubled embroidery thread to sew three long stitches in a 'Y' shape

FOR
beginners

Safety first

If making Flora for a baby or young child, be sure to use safety eyes or embroider them in black yarn instead
