FAIRY GARDEN

Use your Glacier yarn kit to
make a whimsical woodland set

The LGC team fully believes that you're never too old to enjoy a bit of magic. In fact – the more, the better! In popular folklore, toadstools were thought to be a sign of good fortune, wealth and prosperity. Here, SARAH SHRIMPTON'S sweet designs are sure to enrich your repertoire and who knows, may even send luck your way!

Great Advice

ATTACHING THE FELT

When embellishing the fairy house, ensure your felt isn't so thin that it will tear. Trace a shape onto paper, pin this to the felt, and use sharp scissors to cut it out. Glue the felt piece in place on your work. Thread a sharp sewing needle with co-ordinating thread and sew around the perimeter in running stitch
